## Official Notice: ICNAA Annual Meeting & Commercial Nutrient Applicators Recertification to be Held at 2014 Iowa Pork Congress

The Iowa Commercial Nutrient Applicators Association (ICNAA) will hold their Annual Meeting and Commercial Nutrient Applicators Recertification workshop on Wednesday, January 22, 2014, at the Iowa Events Center in Des Moines, Iowa, during the 2014 Iowa Pork Congress.

ICNAA's is excited to once again offer a **FREE** and unique recertification program for nutrient applicators. Rather than watch a three hour video for recertification, nutrient applicators will have the opportunity to participate in a hands-on workshop. The workshop will begin at 10 a.m. and will conclude by 1 p.m. A full agenda and registration details on the opposite page Iowa Pork Congress registration information is available below.

The Annual Meeting will be held following the recertification workshop at 1 p.m. and is open to all ICNAA members.

Registration to the Iowa Pork Congress is **FREE** for ICNAA Members. The Pork Congress offers something for everyone and pork producers, pig handlers, allied business representatives and high school and college students are encouraged to attend. Decision makers in farrowing, finishing and seedstock production, production employees, veterinarians or anyone with an interest in the swine industry will gain valuable insight by attending the event. Attendees can visit with IPPA producer leaders and representatives from the National Pork Board, National Pork Producers Council and other affiliated organizations.
